Open Science

Introductory Event

26 September, online, from 11:00 to 12:30 CET

[Register here](#)

Open Science: administrative burden or powerful leverage for a sounder science? All over the world research institutions are adopting Open Science practices, to make the entire process more transparent, reproducible and responsive to societal needs. Are you aware of what your University offers to do Open Science? UNITA partners are starting an information and training path on Open Science and will present their services

Co-funded by the
Erasmus+ Programme
of the European Union
