Strategic Call Launched by UNIZAR within their own R&D&I Program for SIX PhD student grants

The University of Zaragoza announces two public tenders for PhD students (Researchers in Training) through a PhD contract (under the Spanish Regulation: art. 21 Law 14/2011, of June 1, on Science, Technology and Innovation, modified by art. 19 of Law 17/ 2022 of September 5).

Financing : Vice-Rectorate for Scientific Policy (UNIZAR)

Period for submitting applications: From 09/24/2022 to 10/13/2022.

A. Strategic call of UNIZAR within their own Program of R&D&I of THREE PhD grants in the framework of the collaborative agreement UNIZAR-UPPA

PARTICIPATING UNIVERSITIES : University of Zaragoza (UNIZAR) and the University of Pau et des Pays de l'Adour (UPPA).

PURPOSE : Call for three PhD grants under the joint-supervision agreement UNIZAR-UPPA in the framework of the UNITA European Campus .

Deadline for submitting applications: 10/13/2022.

Requirements

- a) Bachelor's degree, engineer, architect, university graduate (300 credits).
- b) Be enrolled or admitted to a doctoral program at the University of Zaragoza, in the academic year 2021 - 2022 or following.
- c) In the case of degrees obtained abroad, the provisions of Base 2.1.1 will apply.
- d) Have an average grade equal to or greater than 6 points over 10 in the academic record.
- e) Not be in possession of a PhD degree, issued by any university, Spanish or foreign.

Main tasks

Completion of a PhD thesis under joint supervision between the University of Zaragoza and the University of Pau et des Pays de l'Adour.

Specific conditions:

- a) The PhD thesis project proposal may be written in English and/or in the official languages of the two universities, that is, in Spanish or French.
- b) The selected candidates will be enrolled under a 3 years contract.

Contract: 3 years

Dedication: Full time 37.5 hours/week.
