Italian Moodle Users Association (AIUM)

**IT-Army Education and Training command and School of Applied
Military Studies of Turin**

University of Turin

MoodleMoot Italy, the main event for Italian Moodlers, is back and will be held face-to-face in Turin to keep sharing research and experiences in the field and discovering the latest Moodle news.

This year it will be organized by the Italian Moodle Users Association (AIUM) in collaboration with the Army Training Specialization and Doctrine Command and the University of Turin.

During the three-day event, we will explore the use of Moodle in response to changing scenarios in education and training, and will be presented the upcoming 4.0 version.

Participants are invited to send their contributions in the form of:

- **Full paper (8 - 10 pages)**, to document concluded research projects or case studies. Oral presentations will be allotted 15-20 minutes each.
- **Short communication paper/Experiences (3 - 5 pages)**, to document work in progress and innovative user experiences. Oral presentations will be allotted 7-10 minutes each.
