

RESEARCH

1. Development of the doctoral thesis started from the perspective of **rural, mountainous** and **border** territories of **Southern Europe** and countries with **Romance languages**.
2. The second **One-day Conference** was held at USMB with the participation of professors from UNITA Universities and external experts.

ACTIVITY

3. Second call for Awards for **end-of-degree and master's degree** projects that try to guide student research towards issues related to European Citizenship and Identity was launched.

EUROPEAN CITIZENSHIP

BEST PRACTICES #4

COLLECTION OF DIFFERENT PERCEPTIONS OF EUROPEAN CITIZENSHIP

To this end, many initiatives, such as **online workshops** have been launched mainly aimed at students and rural workshops in each of the **UNITA Alliance Universities**.

"European Citizenship strives to embody the diversity that exists from various perspectives within the framework of the European Union project."

COURSES

Lastly, the organization of courses with open access to the general public, especially high school students, migrants, refugees and rural populations, has continued.
