The Green Mobilities Challenge #2 : the winners of the hackathon are...

61 students, divided into 13 teams, competed in the Hackathon of the 2nd edition of the Green Mobilities Challenge.

Following the 1st phase of ideathon, several innovative ideas had emerged. The use of the bicycle had then appeared as a theme of the future and a great source of inspiration!

Thus, the hackathon was centered on : "How to promote the bicycle as a daily mode of transport?"The students had 24 hours to produce a concrete and complete solution.

Visit of ARACIS evaluation agency in Turin

On 27 and 28 April, the UNITA Alliance welcomed a group of experts from the European Evaluation Agency ARACIS to visit the University of Turin for an external evaluation of the Alliance.

With the ambitious goal of consolidating UNITA as one of the 44 European Universities, the Alliance independently decided to undergo an evaluation by a highly qualified external party in order to gain insights for improvement in view of the conclusion of the first phase of the project and the start of the second phase, scheduled for November 2023.

Prof. Maurizio Tira has been elected to the Board of the European University Association (EUA)

The board of the European University Association was held in Gdansk on April 20, 2023, and with 201 votes in favor, Maurizio Tira - former Rector of the University of Brescia (UNITA University Associated Partner) and former Head of International Affairs Commission at CRUI - was elected for the EUA Board until 2027.

“As university leaders, we have learnt to lead through cooperation: my approach to decision-making is based on listening, learning and sharing. We will stand firm on our academic values, but also on the values of Europe’s open, pluralistic and democratic societies, thus anticipating the dawn of a reconciled human family.”
