Re-UNITA Key Information

On September 2021, the six universities of the UNITA Alliance began a new project, called "Re-UNITA: Research for UNITA", with a grant of 2 million € from the European Commission, in the framework of the H2020 programme, within the call « Science With and For Society » (SWAFS).
Highlighting the importance of UNITA and its potential in the field of research and innovation, we aim, during the 3 years of the project, to create an enabling environment for the emergence of a shared research and innovation agenda within the UNITA alliance.
