UJA

UNITA Junior Academy

UJA – UNITA Junior Academy promotes different activities (conferences, experiences, visits) to allow students from primary to high schools to have an experience in an academic environment. The UJA is a space to enjoy Sciences. It works annually at each UNITA university, with the participation of teachers from all UNITA universities and partners. The UJA will allow you to discover and desing your future success path.

Meet us the 30th of September at the EU research night !!!!

UNITA JUNIOR ACADEMY

Activities for schools

Enjoy this special programme addressed to schools (from primary to high schools) which is held every year offering lots of activities.

Discover the most appreciated international event to promote the work of European researchers, through a set of outreach activities on a variety of topics and research areas, especially in cultural heritage, CE and RREE.

Meet the researchers and find out research change lives and which topics are suitable for your career.

Join intercomprehension activities to learn French, Portuguese, Italian, Romain and Spanish languages in an innovative way.

Student Assembly

Do you want to be part of the UNITA Student Assembly ?
UNITA Students Community gathers over 165.000 students. If you want to be part of a pan-European student association and get the chance to speak your voice out loud and meet plenty of people with same interests working on the same goals, UNITA Student Assembly is the perfect place for you!
